Elections are the cornerstone of our democracy and are scheduled a minimum of every two years – in August and November – to select our President and our Governor, as well as national, state, and local officials. Our dedicated Election Inspectors are devoted and committed to working long hours on those two days starting at 6:00 a.m. until 9:00 p.m.

With 15 precincts, 2 Absentee Counting Boards, and the State mandate that three Election Inspectors must be present at all time, Grand Blanc Township is looking for people interested in joining our TEAM. Genesee County has selected HART, the new state-of-the-art equipment to improve the election process. The State mandates you must attend a training session on the equipment and election procedures before you can work an election. Election workers are paid for the training and the day of the election.

If you are a registered voter, will attend a training session, and interested in becoming involved in the election process, please contact me at (810) 424-2602 for an Application.

Sincerely,

Cathy Lane
