IV. Plan Review (see below for plan review requirements before completing this section)			
Have plans been submitted?	Yes	No	Not Required
Plans are not required for the following:			
1. One- & two-family dwelling containing not more than 3,500 sq. ft. of building area			
2. Alterations and/or repair work determined by the plumbing inspector to be of minor in nature			
3. Assembly, Business, Mercantile, & Storage Buildings with a required plumbing fixture count less than 12.			
4. Work completed by a government subdivision or state agency costing less than \$15,000.			
If work being performed is described above, answer "Not Required"			
Plans are required for all other building types and shall be prepared by or under direct supervision of an architect or engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal. Required plans must be submitted before a permit can be issued.			

V. Completing Application	
General: Any regulated activity started prior to the applicant securing the permit will be charged an additional administrative fee at the same rate as the required permit fee, not to exceed \$100.00. This shall be paid prior to the issuance of the required permit. All work shall be in compliance with the plumbing code currently in effect. No work shall be concealed until it has been inspected.	Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be cancelled when no inspections are requested and conducted within six (6) months of the date of issuance or the date of a previous inspection. Cancelled permits cannot be refunded or reinstated.

VI. Fee Clarifications

The application fee is **NON-REFUNDABLE** and **DOES NOT** include any inspections.

Item #3, Water Heater is for a replacement only and is a flat rate of \$125.00. No application fee is needed.

VIII. Applicant Affidavit

As the Licensee:

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his/her authorized agent, and we agree to conform to all applicable laws of the State of Michigan. All information submitted on this application is accurate to the best of my knowledge.

As the Homeowner:

I hereby certify that the work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the plumbing code and shall not be covered up, enclosed, or put into operation until it has been inspected and approved by the Plumbing Inspector. I shall cooperate with the Plumbing Inspector and I assume the responsibility to arrange for all necessary inspections.

VI. Signature of Applicant

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.
