Dear Postmaster,

RE: Consider Changing Zip Code from Flint, MI 48507 to Grand Blanc, MI 48439

I, _____ Name(s)

live at _____,

Contact Information (Phone/E-mail) _____

strongly support the efforts of my Township and Chamber of Commerce to change our Zip Code from Flint, MI 48507 to Grand Blanc, MI 48439.

My property taxes are paid to Grand Blanc Township and that is where I vote. My children attend Grand Blanc Schools and are involved in many of its activities. Our family and friends have always found it difficult to find our home and it is even more difficult to be located with the ever changing enhanced technology. GPS and smart phones are unable to properly locate our home. It could also become a public safety issue. Our residence is located a considerable distance from the actual boundaries of the City of Flint.

We understand there may be a considerable savings on our insurance costs simply due to a change in our Zip Code. We feel matching our Zip Code to the geographic location of our home and being properly identified with the community in which we live is a greater benefit to our family.

Please consider changing our Zip Code from Flint, MI 48507 to Grand Blanc, MI 48439, as soon as possible.

Sincerely,
